

# BUCKLE UP™ Wheelchair Seat Belt

Item # BJ270100

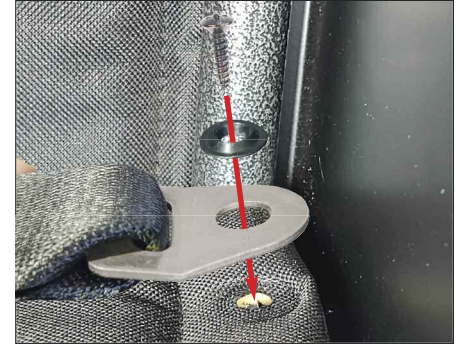

## INSTALLATION INSTRUCTIONS

The seatbelt attaches with the rear screws of the seat upholstery.

Use a screwdriver to remove one of the screws and washer.

With the top of the belt facing up, place the washer over the seat belt hole. Thread the screw through the washer and the hole in the belt and line it up with the hole in the seat.

Tighten the screw.

Repeat the process on the opposite side.

Installation is complete.
